Assignment 2 | Thursday Week 9

5 Steps To Creating Your Ecommerce Product

1. Pick a T-shirt template – sent to you via email
2. Create artwork – word, phrase, graphic. Finished design in JPEG or PNG format.
3. Shirt Name – Determine a name for your shirt using your last name as part of the name, For example: Mackey's MEME or Jacobi Jam or???
4. Shirt Description – Write a creative description of your shirt. 50 -60 words.
5. Shirt Photo – Final product photo
6. Load information and photo to Website under WooCommerce > Products as discussed in class
